MERN STACK DEVELOPER

PROFILE

I am a Fitness & Coding Enthusiast. As a MERN Developer, I excel in crafting captivating and user-centric websites. Proficient in HTML, CSS, and JavaScript, I ensure responsive and engaging interfaces. What sets me apart is my expertise in MERN Stack development, Next.js, and Tailwind CSS. Additionally, I am now fully equipped in crafting animated sites, leveraging technologies like GSAP and LocomotiveJS to further elevate web experiences.
